

# Coronado High School

Addie Arnell, Interim Principal  
Matthew Baldwin, Assistant Principal  
Ricky Lobato, Assistant Principal  
Jim Porter, Athletic Director/Business Manager  
Robert Lizarraga, Dean of Students  
Lisa Kline, Dean of Attendance

To whom it may concern,

I am pleased to write this letter of recommendation for Matt Baldwin regarding the Director of Math and Science position. For the past five years I have had the privilege of working with Matt in the Coronado administration office. During this time Matt has become a mentor to me due to his knowledge as an Assistant Principal.

In Matt's role as Assistant Principal, I have had the opportunity to observe his remarkable work ethic. He approaches every task with diligence, dedication, and a strong sense of responsibility. He consistently goes above and beyond what is required, demonstrating a level of commitment and perseverance that is truly admirable.

One of Matt's most notable strengths is his ability to build meaningful relationships with both students and staff. He is highly respected in Coronado for his kindness, empathy, and willingness to offer support whenever needed. Matt's positive attitude and excellent communication skills allow him to collaborate effectively with others, making him a valued member of our Westside community.

In addition to his interpersonal skills, Matt has also shown a keen interest in creating professional developments within our school. These trainings for teachers have helped them grow as educators with best first instruction, classroom management, and other important educational topics. In every professional development Matt led, he consistently demonstrated leadership qualities and a strong sense of initiative. His enthusiasm for personal and professional growth sets him apart as a motivated and proactive individual.

Should Matt be given the opportunity to work as the Director of Math and Science, Colorado Springs School District 11 will gain an asset that will go above and beyond. If you have any further questions, please contact me.

Sincerely,

Ricky B. Lobato

Assistant Principal, Coronado High School
